CIRCULAR

With the technological advancement in tele-communication sector and widespread availability of mobile phones, the use of public telephone becomes obsolete and operating PCO booths is no longer in practice. Therefore, in accordance with Section 27 of the Rights of Persons with Disabilities Act, 2016, to give livelihood and rehabilitation to PH/PwD, the competent authority accepted the requests received from the allottee(s) of the PCO booths (under PH/PwD category) and permitted to sell packaged food items from PCO booths allocated under PH/PwD category in the GTB Hospital Complex.

Further, the allottee(s) of the PCO booths are required to submit Letter of acceptance and complete the due process before commencement of selling packaged food items from their respective PCO booths.

This issues with the prior approval of the Medical Director, GTBH.
